doing well and Grandpas and Grand-
mas C. J. Bless and Louis Rothe are
wearing their new honors with be-
coming dignity.

The first fatality from a rattle-
snake bite that we have heard of this
year occurred about 1:00 o'clock last
Sunday morning when Domingo Pe-
rez succumbed as a victim of one
of these venomous reptiles. Domingo,
a tenant on the Fritz Frerichs farm,
above town, was struck on the shin
by the snake late Saturday after-
noon. The snake, a very large one,
sank its fangs deep on both sides
of the shin bone and Domingo had a
hard time trying to break the snake's
hold, finally grabbing the snake with
his hands, pulling it loose and throw-
ing it some distance from him.
Throwing a roaring ear that he had
at the snake aroused the ire of the
monster and it again made for Dom-
ingo, who ran. Everything possi-
ble was done for the afflicted man,
but to no avail and he died about
4:00 o'clock Sunday morning, and
was buried Sunday afternoon. The
snake escaped. These venomous
reptiles were uncommonly numer-
ous during the wet Spring but have
not been so much in evidence re-
cently.

Sheriff Joe Bader returned Wed-
nesday from Bellville where he and
Nightwatchman Bywaters of Dev-
vine had been called as witnesses in
the trial of the two men who were
recently arrested at Devine while
in the act of burglarizing a store.
The two men were tried on a charge
of burglary committed at Sealy and
each was given three years in the
pen. One of them was already under
a five years suspended sentence and
as there are numerous other charges
against them they will no doubt
have ample time to reflect over the
folly of a career of crime.

Mr. and Mrs. T. L. Miller and
children will leave Hondo in the early
hours next Thursday morning on a
long auto trip to Mr. Miller's old
home at Atlanta, Georgia. It is pos-
sible Mrs. Heath will accompany
them on the trip but this has not
been definitely settled yet. Mr. and
Mrs. Grover Goff are contemplating
leaving about the same time for a
visit to Mr. Goff's old home in Ten-
nessee.

EVEN CAREFUL CALOMEL USERS ARE SALIVATED

Next Dose of Treacherous Drug may Start Misery for You

Calomel is dangerous. It may salivate you and make you suffer fearfully from soreness of gums, tenderness of jaws and teeth, swollen tongue, and excessive saliva dribbling from the mouth. Don't trust calomel. It is mercury, quicksilver. If you are bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate.

To Stop a Cough Quick

take HAYES' HEALING HONEY, a
cough medicine which stops the cough by
healing the inflamed and irritated tissues.

A box of GROVE'S O-PEN-TRATE
SALVE for Chest Colds, Head Colds and
Croup is enclosed with every bottle of
HAYES' HEALING HONEY. The salve
should be rubbed on the chest and throat
of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey in-
side the throat combined with the healing effect of
Grove's O-Pen-Trate Salve through the pores of
the skin soon stops a cough.

Both remedies are packed in one carton and the
cost of the combined treatment is 35c.

Just ask your druggist for HAYES' HEALING HONEY.

No Worms in a Healthy Child

All children troubled with Worms have an un-
healthy color, which indicates poor blood, and as a
rule, there is more or less stomach disturbance.
GROVE'S TASTELESS CHILL TONIC given regu-
larly for two or three weeks will enrich the blood,
improve the digestion, and act as a general strength-
ening tonic to the whole system. Nature will then
throw off or dispel the worms, and the child will be
in perfect health. Pleasant to take. 75c per bottle.

To Cure a Cold in One Day

Take LAXATIVE BROWN QUININE (Tablets). It
stops the Cough and Headache and works off the

CADET CORPS OF A. AND M.
COLLEGE WILL REPRODUCE
BATTLE OF SAN JACINTO
ON FAMOUS BATTLE
GROUND, APRIL 21,
1925.

COLLEGE STATION, June 7.—
As a means of inducing the Texas
centennial committee to stage the
mammoth celebration which is plan-
ned to be held in recognition of the
one-hundredth anniversary of Texas'
independence from Mexico, the
Houston A. and M. Club has com-
pleted arrangements with the A. and
M. College of Texas officials where-
by the A. and M. cadet corps would
be taken to Houston to enact the
battle of San Jacinto on the battle
ground of independence on April
21st of next year in all the accuracy
of detail which careful advance pre-
paration and study can make it. The
ex-students worked out the plans
for the mimic battle in co-operation
with Colonel Ike S. Ashburn, execu-
tive secretary of the State Association
of Former Students and Colonel
Ashburn has secured the opinion of
President W. B. Bizzell that the
event would be considered of suf-
ficient historical importance to per-
mit the absence of the students from
College long enough to reproduce
the battle.

One of Sixteen Battles.

The plans anticipate that the au-
thoritative historians of Texas would
be enlisted to co-operate with Col-
onel Ashburn and other military
scientists in studying out the facts
pertaining to that historic battle,
and compiling data with reference
to both the Texas and Mexican ar-
mies and strategy employed by the
opposing forces, and that this data be
used in reproducing the decisive en-
gagement, which is considered one
of the sixteen decisive battles of the
world, and which extended the sov-
ereignty of the Americans to the
western ocean one hundred years
earlier than would have been done
had Santa Anna been the victor in-
stead of General Sam Houston.

Reproduced Faithfully.

Judge Clarence Wharton and Dr.
J. Allen Kyle are prominent Hous-
tonians connected with the move-
ment to re-stage the battle re-em-
phasize the accomplishment of Hous-
ton's immortal arm.

It is believed by these men and
others who are working with them
on the plans that it would be the
greatest single event of Texas history
which could be reproduced most
faithfully and with greatest adver-
tising effect for attracting to the
state publicists of all lines.

In Respective Camps.

The size of the A. and M. cadet
corps is just sufficient to duplicate
both General Houston's army and
that of Santa Anna. The strength
of General Houston's army was 743
and Santa Anna's was a little more
than twice that number. The cadets
would be taken to the old San Jac-
into battle ground from College in
special trains, detrained and bivouac-
ed the night before in the exact lo-
cations where the Texas and Mexi-
can generals camped the night of
April 20, 1836. In the morning ban-
ners would mark the respective lo-
cations of the two armies and specta-
tors would be directed over the
ground and permitted to visualize
the situation as it was between the
Texans and Mexicans on that fateful
day long ago. In the afternoon
as the final stage of the engagement
was enacted they would view the
troops movements from seating
stands surmounting the high ground
which forms a very perfect amphi-
theatre of the battle ground.

OUR CHOICE FOR SENATOR

HON. FRED W. DAVIS

FRED W. DAVIS

A Biographical Sketch
of the Man.

Fred W. Davis, candidate for United States Sen-
ator, was born in Stoddard County Mo., 49 years
ago.

He came from intelligent, sturdy pioneer stock.
His father, Judge Alfred J. Davis was a man of
exceptional intelligence and force of character and
was a self-made man to the "nth" degree. He was
by choice a farmer and fell a victim to over work
and exposure. After a long and lingering illness he
passed away leaving a widow and seven children,
the youngest being the subject of this sketch.

The widow moved to Texas when Fred was
eight years of age. She possessed nothing but the
courage of a lioness, good business judgment and
an inherited stamina. A long and inspiring story
could be told of their early struggles under the
mother's guidance, but we must pass on to a more
definite description of our subject.

School opportunities for country children forty
years ago were none too good at best and were
almost nil for children who had to work at any
time work was available. The family lived in town
where the women folks did various kinds of manual
labor, while the little boys sought jobs in the
country.

Fred worked on a farm, doing almost a man's
work, for seven dollars a month. At another time
he received 33 1-3 cents per day, and kept up with
the menfolks in the field. Later, when he was able
to command almost a man's wages, he was
stricken with rheumatism, and suffered with this
malady for six years.

He emerged from his youth penniless, father-
less and afflicted. From this date on, what help
he got was the little that came from his mother
and other members of the family.

No one but himself can know the agonies of
soul he endured because his life seemed blight-
ed. Besides the almost fading away of the star
of hope, the physical pain made many a night seem
like a Gethsemane in his life. But the malady was
at last conquered and other obstacles were conquer-
ed also, as the following record will show.

He was voluntarily called, twenty years ago to
take charge of the sale of all the cotton went of
the Mississippi River which belonged to the
Farmer's Educational and Co-operative Union of
America.

Was head of the State Executive Committee of
this organization as long as its constitution would
permit.

Was the Union's legislative representative when
the Anti-bucket Shop bill was passed, the bill re-
quiring Agriculture to be taught in the schools,
and other legislative bills of interest to the people.

Was six years Commissioner of Agriculture of
this state. While Commissioner, he started the
movement to sell cotton upon a cost of production
basis. This movement received world-wide at-
tention, inquiries came from every quarter of the
globe. Cotton steadily advanced for three years,
1917-18-19, and complete success seemed almost
assured. But the Federal Reserve Board and the
Secretary of the Treasury strangled the move-
ment to death in 1920, with their deflation policy.
United States Senator Heflin, of Alabama, de-
clared this movement put on by Commissioner Fred
W. Davis, was worth over \$500,000,000 to the
South.

During his incumbency as Commissioner of Ag-
riculture, he was repeatedly honored and trust-
ed by the Southern states and in the whole United
States, rounding out his work as president of the
National Commissioners of Agriculture, which was
conferred upon him by unanimous vote.

All his life he has been a farmer. Following
his last official work as Commissioner of Agri-
culture, he again went back to farming and ranch-
ing. From the farm the farmers voluntarily called
him to run for United States Senator.

He is one of the common herd, intelligent, honest
and backed by more experience than most. He has
never belonged to any factions, political or other-
wise, and throughout this career his motives have
never been questioned by friend or foe.

This lengthy, though really brief sketch, will give
the voters at least some conception of the kind of
man the Farm Labor Political Conference
voluntarily called to run for United States Senator.
He is a splendid example of the kind of officials
most people claim they want.

Will they elect him?

J. W. NEILL.

ANOTHER GUBERNATORIAL ASPIRANT COMING

HON. V. A. COLLINS

Senator V. A. Collins, candidate for Governor, who speaks in Hondo, on Thursday 26th, at 2:00 P. M. at the Courthouse in the interest of his candidacy, was first elected to the Senate of Texas in 1910 from the 14th (Beaumont) District.

While a member of the Senate, Senator Collins was responsible for much legislation that has a far-reaching effect on the citizenship of this state. Among the measures for which he was responsible was the State-wide Statutory Prohibition Law, the Primary Woman's Suffrage Bill, and the 54-hour Female Labor Law.

The Statutory State-wide Prohibition Law was held unconstitutional by the Court of Criminal Appeals, but the Civil Courts held differently and the measure was enforced by injunction by the then Attorney General, Mr. Looney.

The Primary Woman's Suffrage Bill gave the women of Texas the ballot in the Democratic Primary before the passage of the Nineteenth Amendment to the Federal Constitution.

The 54-hour Female Labor Law limits the hours women can be employed in certain classes of industry.

In addition to the foregoing measures, Senator Collins was author of the Workmen's Compensation Act of 1913. This Act was a preferential demand of the State Federation of Labor and generally met the approval of the big employers of the State. Senator Collins says: "Under the provisions of this Act, \$25,000,000.00 has been paid injured and disabled workmen of this state; much litigation avoided and a finer spirit of co-operation brought about between employer and employee."

Senator Collins takes a special pride in his authorship of the law providing for the sanitary inspection of factories employing female labor, for he says that this measure has required "the sweat-shops of Texas to clean up and provide wholesome, clean and sanitary surroundings for their female employees."

Senator Collins was also author of the Eight Hour Law, Contracting Stevedore Law and valuable amendments to the state Child Labor Laws.

QUIHI NOTES

Last Sunday night the Bethlehem Lutheran League gave a very interesting and edifying program. The various literary, oratorical and musical numbers were rendered well and were all highly appreciated by the large audience present—many of whom were unable to gain entrance in the overfilled church. In addition to the regular League renditions, the church choir gave several splendid selections and Judge H. E. Haass of Hondo favored the audience with a short, interesting address. The next program will be given July 13th and doubtless will be interesting and instructive.

At 10 o'clock next Sunday morning the regular semi-monthly divine service will be held in the New Fountain Lutheran Church. All are cordially welcome at all services in this church.

A special mission service has been set for next Sunday night at 8 o'clock in the Quihi Lutheran Church. An interesting discourse on the establishment of the Church in America has been announced, and the same, doubtless, will be replete with historical facts. All are cordially invited to come to this service.

MEETING CLOSED

After two weeks continuous services, the Union protracted meeting closed at the Tabernacle Sunday night.

During the progress of the meeting, Dr. Powell preached some soul-stirring sermons that went home to the hearts of his hearers with convincing power. The song services, lead by Mr. Albritton, were feeling and inspiring, and enjoyed by all. Large audiences attended all the services, most of the business places closing for the morning services, and Hondo has received the greatest religious awakening it has had in years. As a result of the meeting there have been twenty-seven additions to the local Baptist Church and twenty-five to the Methodist Church.

O'BRIEN WILL TRY AGAIN IN MEDINA

R. P. O'Brien is spudding in his second test in the Ina field in about 2000 feet southwest of the No. 1 and arrangements were all made for spudding in on Thursday. It is the plan of O'Brien and his associates to drill several wells and put them on production.

Clint Chenaunt is reported to have bought a 100-acre lease in Medina County near the Ina field and is planning to do some drilling. He is an operator from the Miranda field.

Metzger on the tract several miles southwest from the Ina field was reported a couple of days ago as drilling at around 700 feet and Hodges and Wharton are reported to have the lumber on the ground for the derrick on the Finger tract south of D'Hanis.

A California syndicate has bought leases south of D'Hanis with the expectation of drilling and a number of the major companies have taken prospective acreage on the Noonan structure near the town of Noonan and there are unconfirmed reports that some of the major companies may put down a well there.—Thursday's Express.

LADIES' FORTY-TWO CLUB

Mesdames Earl Starnes, Oscar Schuehle and Leo Schweers were hostesses to the members of the Ladies Forty-Two Club and their guests Thursday afternoon.

After a short business session, during which Mrs. Oscar Miller was elected President and Mrs. L. J. Brucks Vice-President to succeed Mrs. L. E. Heath and Mrs. Mimke Muennink, six tables of players assembled to contest the honor for the afternoon's championship. The result was a tie between Mrs. Sadie Hutzler and Mrs. Felix Batot, each having won nine games. "The better the day, the better the deed" has no significance for Mrs. W. O. Rothe for the coveted games her tally showing only three games won.

The name of a new member, Mrs. Felix Richter, was added to the club's membership list.

Mrs. Imbt of Strausberg, Pa., Miss Brewster of San Antonio, Mrs. E. V. Behan of Ft. Sam Houston and Miss Dora Zinsmeyer of D'Hanis were club guests for the afternoon.

The table decorations were vases of vari-colored flowers and the table's were designed in vases of flowers of many colors and varieties. Ice tea and sandwiches were served.

Besides the guests and hostesses, the following members were present: Mesdames Alice Reinhart, Henry Merriman, L. E. Heath, Earl Boon, C. J. Schuehle, W. O. Rothe, O. H. Miller, Felix Richter, Chas. Finger, L. J. Brucks, R. J. Noonan, P. Jungman, Alfred Finger, Robert Bendele, Geo. Heyen, Mimke Muennink, Fletcher Davis and Felix Batot.

The hostesses for the next meeting will be Mrs. W. H. Smith, Mrs. Roy Stone and Mrs. R. W. Speece.

Sells \$500 Worth of Roastingears
R. A. Holmes was in town Friday cashing a \$500 check for roastingears; probably the biggest check ever cashed for roastingears in this section. He let the roastingear people gather 35 acres and turned them down on a 90 acre cut; but after figuring up and paying off all his store accounts he decided that around \$1, the bushel and them gather it was pretty good and he thought again that he would let them have the other 90 acres. They will leave him lots of corn.

Eddie Morris was all smiles, sure enough Thursday, but he said, "It's a girl." The young lady was born in Hondo, where Mrs. Morris has been spending some time.

We regret to learn that Mr. L. E. Bendele is in a very serious condition of health and his friends fear the end is near. Distant relatives have been called.

HOSPITAL ENGINEER AND WIFE GIVE FACTS

Among the many remarkable experiences being told daily about the sensational new medicine Karnak is that of Mr. and Mrs. D. A. Brown, well-known residents of 2514 Kennedy Ave., Parsons, Kansas.

"I had reached the point," says Mr. Brown, who is engineer at the M. K. & T. hospital, "where I thought my case was hopeless. My stomach and nerves were all in pieces and my blood so weak I would wake up in the night with my arms so numb I would have to get up and rub them. I had tried so many medicines without result I thought I would never see another well day, but when I got hold of Karnak it worked like magic. I eat anything, sleep fine, have gained weight and am so much stronger my work seems easy. In fact, I don't feel like I ever had a sick day in my life."

Mrs. Brown relates her experience as follows: "My digestion had utterly failed and my nerves were so frayed I could scarcely sleep day or night. Every bite I ate caused pain and distress for hours. Karnak helped me from the start just like it did Mr. Brown and now I am in such splendid health I feel like a new person. We think it our duty to tell others what Karnak will do."

Mr. and Mrs. Brown have been dreads of friends who will rejoice with them in their remarkable recovery.
